## Believe and Achieve

"Behind every young child who believes in themself is an adult who believed first."

At Hindley Junior and Infant school, we strive to create a safe, inclusive and inspiring environment which enables everyone to believe in themselves and achieve their aspirations.

We believe that our children need to possess key characteristics if they are to flourish in school and wider society. Opportunities to build upon, teach and celebrate these characteristics are interwoven into all aspects of school life. We endeavour for every child to be respectful, resilient, honest, determined, confident, cooperative and ambitious
