I would advice to teachers comment more on good behaviours as I only hear the negatives, but I'm sure there is more to that and one person can do also good and maybe sometimes not so good choices. I also think there is no one approach that suits everyone and a four year old should be allowed to be a child a little bit more, especially in the reception. Thank you for consideration.

Amazing change for ~~the~~ starting this school, best thing I ever did for him! Keep being you, Amazing school ♡
