

Thursday 17<sup>th</sup> November 2020

Hello,

We have two Key Stage meetings due to different playtimes. Jaxson and Ruby Y1 Honey and Harrison Y2. Bobby and Olivia Y6, Phoebe and Olivia Y5, Rani and Corey Y4, Olivia and Lucas Y3.

- Suggestion box
- Christmas movie afternoon
- Litter picking rota
- Gardening Club
- Fun Friday Posters

### Suggestion Box

We have a suggestion box near the playground door. If you have a suggestion or an idea you would like the School Council to consider please put it in the box available. We look at these every week.

### Christmas Movie Afternoon

We would like to organise a Christmas Movie afternoon in school time. You can vote for your favourite movie plus wear Christmas PJ's or a Christmas Onesie on the day. You can also bring in your own popcorn/sweets/treat to have while you are watching the movie. We just need the teachers to choose 3 films for us to vote for.

### Litter Picking Rota

We need to collect the rubbish on the playground every week using the litter pickers provided on the wall. We can put the rubbish straight in the bin outside. There are four litter pickers so we can take it in turns to collect the rubbish. One suggestion from our school council was to go use the register to decide whose turn it is that week.

Thank you for helping to keep our school tidy.

Litter Picking Rota

Y6 Monday Y5 Tuesday Y4 Wednesday Y3 Thursday Y2 Friday

### Gardening Club

We would like to create our own growing area for each class. Mrs Speakman has arranged for some willing helpers to prepare the peace and quiet garden so we can use this space.

We need to decide what we would like to grow. Miss Rawding has lots of seeds we can use.

In January we can grow: Tomatoes, Aubergines, celery, raddish, celeriac

In February we can grow: Cauliflower, carrots, little gem lettuce, onion, spring onion and chilli peppers.

Please choose one or two items from the list above.

### Fun Friday Posters

It's not too late to take part in our Fun Friday poster competition. Linda would like a poster that advertises our Fun Friday meal options so please add these to your design.

Some of these include Burgers and Chips, Hot dogs, Chocolate Muffins, Chocolate Chip Cookies so it would be good if you could draw some of these on the poster. Make it as colourful as you can.

The closing date is Friday 27<sup>th</sup> November and don't forget to put your name and year group on the back of your poster.

Year Six only

### Hoodies

I have asked my colleagues in other schools to see if anyone else has ordered hoodies before and if so, are they a good company. I will let you know when we have found a company. There is plenty of time to organise these after your SAT's

exams so we'll get back to you nearer the time when you can choose the design and colours. Thanks Mrs Speakman.
